### "SECOND TIME, JUST AS LUCKY!"

*We were lucky from start to finish with the weather and credit our guide, Dan, with knowing which way the wind would be blowing! We found the inclines of the Southern Alps more challenging than we anticipated but eventually we found a way to catch our breath while stopping to admire the amazing scenery. Dan kept us informed with his knowledge of geological formations and tracks and entertained us with stories related directly, or tangentially to the area. Leaving the planning and logistics to First Light Travel made this a true holiday for us.*

### "EXCELLENT IN EVERY WAY!"

*Luxury accommodation, meals and service with spectacular itinerary and first class guides (two per minibus). Challenging walks and exciting excursions without white knuckle experiences, and there is always an easier option if required. Every day is filled with activities or travelling and suites solos, families and groups of moderate or better walking abilities. Worth every penny, enjoyed every minute.*

# ITINERARY

## DAY 1 NELSON -KAHURANGI NATIONAL PARK

8.5 km - 18.5 km/4-8 hours hiking

Your guide will meet you at the Rutherford Hotel (9am) before driving to Nelson airport to collect those walkers that are doing the full New Zealand Uncut and are on a flight from Wellington. Sit back and enjoy the picturesque drive to Flora Saddle in Kahurangi National Park. On a well-formed track, we meander our way up to the bush-line and the Mt Arthur hut. Those feeling keen can venture further with the guide along the rugged marble ridgeline towards the summit of Mt Arthur. Alternatively, perch on a rock and soak in the view before reuniting with the group for the descent (usually via a different track). Tonight, we celebrate our arrival in the South Island by dining together in one of Nelson's fine restaurants. *Accommodation: Rutherford Hotel. Includes lunch and dinner.*

## DAY 2 NELSON - ABEL TASMAN NATIONAL PARK

11.7 km/4 hours hiking

After an early breakfast, we set off for Abel Tasman National Park. You will be amazed at how different the landscape is here to nearby Kahurangi National Park. Board a water taxi and cruise the coastline past golden sand beaches and rugged granite headlands into the heart of the National Park. Step ashore at Bark Bay and follow the famed Abel Tasman coastal track through native forests and along golden sand beaches. A well-formed trail leads us up and over a gentle ridge into Torrent Bay, where the lovely clear fresh waters of Cleopatra's Pool may tempt you to take a dip or for those more daring - a slide down the naturally formed hydro-slide! At Anchorage, we will meet the water taxi for a return journey to Kaiteriteri, a seaside village and gateway to this National Park, before heading back to Nelson. There is free time to do some more exploring in this vibrant and arty little town. *Accommodation: Rutherford Hotel. Includes breakfast and lunch.*

## DAY 3 NELSON - PUNAKAIKI

6 km/3 hours hiking

On the way to the West Coast we stop for a remarkable hike to marvel at natural flames which have been burning since the 1920's. We access this phenomena with a local guide through a privately-owned working deer farm. Unlike the Eternal Flames of the Chimera in Turkey these flames are surrounded by lush tree ferns and beech forest. A cup of 'billy tea' and hot cakes prepared over the flames gives this experience a distinctly kiwi flavour. We continue our journey alongside the mighty Buller River as it cuts through the massive wilderness of the upper South Island, arriving on the coast at Westport. We take a short stroll at Cape Foulwind to view a colony of New Zealand fur seals playfully splashing around in the rock pools.

We then head south to catch the sunset at Punakaiki and visit a local pub for dinner. Take an evening stroll around the famous Pancake Rocks and blowholes - we try to time our visit with high tides so we may leave the rocks until tomorrow if tide times are more favourable. *Accommodation: Punakaiki Resort, Punakaiki. Includes breakfast, lunch and dinner.*

## DAY 4 PUNAKAIKI TO METHVEN

### 11 km/3-4 hours hiking

Hike the Inland Pack Track from Punakaiki to Pororari. This historic route was once used by prospectors and miners to avoid the immense coastal cliffs while travelling the West Coast. Pass through deep limestone canyons, towering rainforests and groves of Nikau Palms. You may not be able to resist a speedy swim in one of the many deep clear pools you pass on the way! After the hike, we join a remarkable highway which takes us from the lush green rainforests of the West Coast and over the glaciated Southern Alps to the parched soft yellow savannahs of Canterbury. This is one of the most cleverly engineered roads in New Zealand. East of Arthurs Pass, stretch your legs and stroll around the enchanting limestone outcrops of Kura Tawhiti (Castle Hill). This area was an important meeting place and food gathering area for early Maori people. Interestingly it was also bestowed a "spiritual centre of the universe" by the Dalai Lama when he visited in 2002. Today it is a haven for rock climbers who climb and boulder on the multitude of rock forms. We then leave the highway and follow the back roads around Lake Lyndon and on to Methven, a ski town by winter and laid-back rural town the rest of the year. The Southern Alps form a spectacular backdrop. Wander in to the village for a meal at a local restaurant. *Accommodation: Ski Time, Methven. Includes breakfast and lunch.*

## DAY 5 METHVEN - AORAKI/MOUNT COOK

### 5 km/3 hours hiking

Drive south following the edge of the Canterbury plains to Lake Tekapo, famous for its stunning turquoise waters and the quaint Church of the Good Shepherd, perched daintily by the lake. Hike up through wilding conifers and tussock grasslands to the summit of Mt John. Revel in the 360-degree views of the Patagonia-like landscape. The sweeping Mackenzie basin is a sparsely populated region in the rain shadow of the Southern Alps; tawny-brown drylands, braided riverbeds and startling glacial lakes extend to the horizon.

On arrival at Mt Cook village we hike up to Red Tarns for magnificent views of Aoraki/Mount Cook and the surrounding alps. Relax here and enjoy the views before wandering back down arriving at the door of our accommodation, where we stay for the next two nights. *Accommodation: Lodge within Aoraki/Mount Cook National Park. Includes breakfast, lunch and dinner.*

## DAY 6 AORAKI/MT COOK

### 5-8 km/4 hours hiking

Hike up to Sealy Tarns and enjoy the awesome views of Mt Sefton, Mueller Glacier and across the Hooker Valley to Aoraki/Mount Cook. If you're feeling energetic, join the guide for a further climb from the tarns up to the crest of Mueller Ridge for even wider views of this magnificent alpine landscape. Those not wanting to climb to Sealy or Mueller can take the flatter option and walk up the Hooker Valley (unguided), enjoying close up views of the Mueller and Hooker Glaciers on the way. *Accommodation: Lodge within Aoraki/Mount Cook National Park. Includes breakfast, lunch and dinner.*

## DAY 7 AORAKI/MT COOK - WANAKA

### 2 km/1 hour hiking

Travel up the Tasman Valley towards the longest glacier in New Zealand, the Tasman Glacier. Take a short walk through the glacial moraine and board a custom-built boat for a unique spin around the terminal lake. Like most glaciers in the world the Tasman Glacier is retreating and the terminal lake increases in size every year. This dynamic environment is dotted with icebergs of all shapes and sizes from the collapsing terminal wall of the glacier. Our drive to Wanaka follows the Mackenzie country south before climbing over the tussock lands of the Lindis Pass into the southern lakes district. Wanaka is a lovely holiday town on the lake-side. *Accommodation: Edgewater Resort, Wanaka. Includes breakfast, lunch and dinner.*

## DAY 8 WANAKA - QUEENSTOWN

### 10 km/4 hours hiking

A beautiful drive alongside Lake Wanaka leads us to Aspiring National Park. We hike up the Matukituki Valley beneath some fine peaks before turning up the Rob Roy side stream and climbing abruptly to the bushline. This gorgeous trail through virgin beech forest emerges into a splendid alpine basin below the bulking mass of the Rob Roy Glacier. Watch water tumble off the glacier's snout as you relax and enjoy lunch. Keep an eye out for cheeky kea (alpine parrot). You probably won't need to look too hard as these curious birds normally call in when food is around (although it's important to never offer them any titbits and upset their natural foraging behaviour)! After the hike grab a drink and unwind on the lawn of the famous old drover's hotel at Cardrona, before we drive over the Crown Range and into the lively scene of Queenstown. Your tour finishes here in the late afternoon. *Includes breakfast and lunch.*

## ADVENTURES FROM QUEENSTOWN

Queenstown is a beautiful town tucked under the mountains and beside the crystal clear Lake Wakatipu. There are a huge number of adventure activities on offer here. You might like to take a thrilling jet boat ride, face your fears on the highest bungee in New Zealand, or paddle peacefully down a river on an inflatable 'funyak'.

Many of New Zealand's famous Great Walks start within reach of Queenstown. The dramatic Hollyford Track in the heart of Fiordland National Park is a wonderful guided walk option. The unforgettable Milford Sound is a half-day drive from Queenstown. Steep cliffs and dense rainforest border this spectacular fiord that can be explored by boat. Whatever your preference, we can help you with any post-trip activities that you might like to add on to your New Zealand adventure. Talk to us and we can help you decide which options suit you best.

# LIFE ON THE TRAIL

## GRADE B

- Up to 4-5 hours of physical activity per day
- At times carrying a backpack of 4-5kgs
- Tracks generally in good condition
- Altitude gains of up to 600m (2000ft) on harder days
- No hiking experience necessary

## GUIDES AND SAFETY

Our handpicked professionals come from a range of backgrounds. Each has extensive outdoor and hiking experience and a passion for New Zealand's wild and beautiful backcountry. Our guides are exactly that – they will guide you in the outdoors. Occasionally they might dash ahead to set up lunch or bring the bus around to meet you, but the rest of the day they are there for you. Expect a high level of care, knowledge and thoughtfulness. Our guides will ensure that your trip is truly inspiring, a huge amount of fun and safe. All guides are trained in Mountain Safety First Aid. All walks described in the itinerary are guided, however, the guide can suggest a number of shorter self-guided walks if you wish to do a little more or a little less walking on some of the days.

## FOOD

Almost all of the meals are included on this tour, but when staying in the cities we let you do your own thing and try some of the excellent local restaurants (see "Additional Costs" section). Breakfast is usually (but not always) continental-style in the lodges and hotels. There are plenty of opportunities to graze the local cafes if you would prefer to explore in the morning. The lunches we prepare ourselves are often 'on the run' in picnic areas or on trails. Our guides usually set out lunch food for you and you simply help yourself. We provide healthy and wholesome food and include a lot of fresh produce. It is part of our philosophy to get everyone involved so there is a pretty good chance you may find yourself wielding a sharp knife or pushing the tea trolley around at lunchtime. Our customised trailers have a fold down table and cooking area that is perfect for preparing picnics at all those secret places we will take you. Included dinners are frequently in lodge restaurants (either set menu or a la carte), or in a restaurant in the town but occasionally somewhere out of the ordinary!

## TRANSPORT

The average driving time per day varies; we have some days where we hardly drive at all. On a typical day we might be in the vehicle for 2-3 hours. But some days we will drive for longer. The driving time is a chance to rest and enjoy the fantastic scenery that is forever changing. We travel in a luxury minibus towing a custom-built trailer with food, equipment and your luggage. We carry a library box with some natural history reference books for you to peruse too. There will be a range of roads - sealed and unsealed. The guides are easily convinced to stop the vehicle if there is a great photo opportunity, vineyard or notable ice cream shop!

## ACCOMMODATION

The Southern Slice uses a range of hotels and quality lodges chosen for their good standards and wonderful locations. All rooms have ensuite bathrooms. Some lodges have units with two bedrooms per unit. Rooms are twin share or doubles. If you are travelling on your own you will be given a twin share room with a fellow traveller of the same gender. Single supplements are available on this tour. The Southern Slice has been created for those that appreciate a high standard of accommodation after a good day of hiking.

## LAUNDRY

Laundry facilities are available most nights, either as the hotel laundry service (additional charge) or as access to laundry facilities for hotel guests. Save up your NZ\$1 and \$2 coins as most washers and driers require these to operate. Laundry detergent is often available to purchase on-site.

## CHARGING DEVICES

Devices such as cameras and cellphones can be charged throughout the tour - while travelling in the vehicle (bring along a charger adaptor) and during the hotel nights.
